Dear Mom & Pop:—

Here is some more (\$200.00). The semester is almost finished and then I'll Xerox all of the records for you that I have.

Also enclosed are the scores (and all the parts I could find) to "Love Suite" and "Red Planet". It was (and is) my hope to prepare them for the Jazz Repertory Orchestra which has been giving concerts in New York lately — but I couldn't get them done yet. When I send some money for the purpose I'd appreciate copies of the scores for that reason.

We love you both and hope all is well.—

Love,
Hale
